POLICY STATEMENT

1. VALUES

The Kindergarten is committed to:

- providing responsible financial management of the service, including establishing fees that will result in a financially viable service, while keeping user fees at the lowest possible level
- providing a fair and manageable system for dealing with non-payment and/or inability to pay fees/outstanding debts

2. SCOPE

This policy applies to the Oakleigh Primary School Council (Approved Provider), Nominated Supervisor, Certified Supervisor, educators and parents/guardians with an enrolled child, or who wish to enrol a child at the Kindergarten.

3. BACKGROUND AND LEGISLATION

Background

The Department of Education and Training (DET) provides per capita funding as a contribution towards the costs of the four-year-old kindergarten program. Income from other sources, primarily fees, is required to meet all the additional costs incurred by the service in the delivery of the children’s program. In addition, the Kindergarten Fee Subsidy (refer to *Definitions*) enables eligible families to attend the four-year-old kindergarten program at minimal or no cost.

DET also funds eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs as outlined in *The Kindergarten Guide* (refer to *Sources*).

DET requires that funded services have a comprehensive written fees policy in place, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged, as required under Regulation 168(2)(n), and the payment process. All families must be informed of applicable term and annual fees at the time of enrolment. Services must also advise eligible families of the Kindergarten Fee Subsidy arrangements. The fees charged must comply

with the *Kindergarten Fee Subsidy – Fees Policy* (refer to *Definitions*), and be responsive to the local community and the viability of the service.

The Kindergarten Guide (refer to *Sources*) outlines the criteria to be covered in the policy.

Fee Information for families - 2017

1. Why fees are necessary

The Department of Education and Training (DET) provides per capita funding as a contribution toward the costs of providing a four-year-old kindergarten program. Services meet the balance of costs through charging fees and fundraising activities.

DET provides a Kindergarten Fee Subsidy (see below) that enables children from eligible families to attend a four-year-old kindergarten program free of charge, or at a minimal cost.

DET also provides funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs.

The Kindergarten provides a range of support options to parents/guardians experiencing difficulty with payment of fees (see below).

2. How fees are set

As part of the budget development process, subcommittee of management sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service
- the level of government funding provided for the program, including the Kindergarten Fee Subsidy
- the availability of other income sources, such as grants
- the fees charged by similar services in the area
- the capacity of parents/guardians to pay fees
- reasonable expenditure in meeting agreed program quality and standards
- requirements of the *Kindergarten Fee Subsidy – Fees Policy* (details in *The Kindergarten Guide*: (Department of Education and Training) available under *early childhood / service providers* on the DET website: www.education.vic.gov.au)

Fees set for the year are only reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point.

3. Other charges

Other charges levied by the Kindergarten are included on the Statement of Fees and Charges. These include:

- **Kindergarten fee deposit:** This payment secures a child's place at the service and is payable on acceptance of enrolment. The deposit is retained as part payment on term fees. Families eligible for the Kindergarten Fee Subsidy (see below) are not required to pay the deposit. Families experiencing hardship should also discuss any difficulties with the service.
- **Excursion/service event charge:** This additional charge is required to cover the cost of excursions or special events that occur throughout the year in response to emerging children's program needs and interests. Affordability and relevance to the children's interests and the service program will be taken into consideration before a decision is made that will require families to pay this additional charge (refer to *Excursions and Service Events Policy*). Events that are planned ahead are included as an expenditure item in the service's budget and do not incur this additional charge.
- **Refundable levy:** The participation of parents/guardians is encouraged by the service and can help to keep costs more affordable. However not all families are able to assist at the service. A refundable levy system has been introduced by the service and replaces voluntary labour with

paid labour. Payment will be refunded to parents/guardians on participation in specified activities which may include working bees, maintenance and gardening etc. Eligible concession card holders will not be required to pay this levy. The levy is not intended to be a barrier to participation and families experiencing difficulties should discuss this with service.

- **Non-refundable levy:** This levy is retained by the service and is included in the total fees charged by the service.
- **Late collection charge:** Subcommittee of management reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child from the service. This charge will be set at a level determined by subcommittee of management.
- **Multiple births/siblings** attending the same program/centre: A discount of \$40 per family per year has been set for families with multiple births/siblings attending the programs within the kindergarten.

4. Statement of fees and charges

A statement of fees and charges for four-year-old or three-year-old kindergarten will be provided to families on enrolment.

5. Fundraising

Not all service costs are covered by DET per capita funding and the fees charged. Fundraising is undertaken to meet the balance and/or pay for additional items for the service. While participation in fundraising is voluntary, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together.

6. Subsidies

6.1 Kindergarten Fee Subsidy (four-year-old programs only)

The Kindergarten Fee Subsidy is provided by DET and enables eligible children to attend kindergarten free of charge or at minimal cost. Eligibility conditions change from time-to-time – contact the service for further information.

Families who may be eligible for the Kindergarten Fee Subsidy (four-year-old programs only) include those who are:

- Health Care Card holders

- Emergency Rescue visa (subclass 203)
- Woman at risk visa (subclass 204)
- ImmiCard
- Aboriginal or Torres Strait Islander children
- triplets or quadruplets attending a funded kindergarten program in the same year.

Supporting documentation must be sighted by the service on acceptance of a place or on commencement in the program. Otherwise a fee invoice will be issued. Families are eligible for the Kindergarten Fee Subsidy for the full term in which their concession is valid. Contact the service for further information.

6.2 Early Start Kindergarten fee subsidy

Three-year-old Aboriginal and Torres Strait Islander children and children known to Child Protection are eligible to attend a funded early childhood program that is planned and delivered by a qualified early childhood teacher free of charge. The service receives funding for children who meet the eligibility criteria. Contact the service for further information.

6.3 Child Care Benefit (CCB)

Child Care Benefit (CCB) is an Australian Government payment that can assist eligible families with the costs of childcare at an approved or registered care provider. The Kindergarten is an approved/registered care provider with the Family Assistance Office (FAO).

Approved care is childcare that meets certain standards and requirements, and is approved by the Australian Government. Approved care providers must hold a licence to operate, have qualified and trained staff, be open certain hours and meet health, safety and other quality standards. Most long day care, family day care, before-and-after school care, vacation care, some occasional care and some in-home care childcare services are (Approved Provider)s.

Registered care is childcare provided for work-related purposes, including training and studying, maternity leave, sick leave or voluntary work, and the work-related purpose must have occurred at some time during the week in which the registered care was used. Registered care is provided by individuals registered with the Department of Health and Human Services and may include care given by kindergarten staff.

The amount payable is set by the Australian Government. Further details are available at www.humanservices.gov.au/customer/themes/families or telephone 136 150

7. Payment of fees

The Subcommittee of management will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations. The current procedure for fee payments is as follows:

- The first term's fees must be received in full prior to the child commencing at the service and are payable at the Parent Information Evening held annually in November each year..
- Invoices for terms 2,3 and 4 will be issued 4 weeks before the end of the previous term. They must be paid within 14 days.
- Each invoice will be accompanied by payment instructions.
- For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full within 14 days of the child's commencement at the service.

Parents/guardians experiencing difficulty in paying fees are requested to contact the administration officer to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

8. Unpaid fees

If fees are not paid by the due date, and the Administration Officer has not been contacted regarding payment arrangements the following steps will be taken.

- Fees not paid by the due date will incur a \$20 late fee
- A reminder invoice (including the \$20 late fee) will be sent via e-mail to parents/guardians with a specified payment date, and will include information on a range of support options available for the family.
- Where payment is still not received, a follow-up email and/or phone call will be made to discuss the range of support options available and establish a payment plan.
- Continued non-payment may result in a letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into

within a specified period of time. This letter will also include information on a range of support options available for the family.

- Subcommittee of management via the Administration Officer will continue to offer support and will reserve the right to explore all options to attempt to reach a satisfactory arrangement.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing. However every effort will be made to avoid this scenario.

9. Refund of fees

If a family becomes eligible for the Kindergarten Fee Subsidy during a term, a full refund of the applicable term fees (and fee deposit, where appropriate) will be provided. Fees may still apply for programs offering more than the required minimum hours per week.

In any other case, fees are non-refundable (exceptional circumstances may apply – these are at the discretion of subcommittee of management). There will be no refund of fees in the following circumstances:

- a child's short-term illness
- public holidays
- family holiday during operational times
- closure of the service for one or more days when a qualified educator is absent and a qualified reliever is not available
- closure of the service for staff training days
- closure of the service due to extreme and unavoidable circumstances.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

10. Children turning three during the year of enrolment

Full payment from the first day of Term 1 is required if a place is to be reserved for a child in the three-year-old kindergarten program. Children can only commence the program when they have turned three.

11. Support services

Families experiencing financial hardship often require access to family support services. Information on these services is available from the kindergarten service provider and a list can be supplied to those families who require it.

12. Notification of fee changes during the year

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.
